## NEWS RELEASE

### **The Office of the Inspector General of the Intelligence Community Supports International Fraud Awareness Week**

**(November 2022)** The Office of the Inspector General of the Intelligence Community (IC IG) joined a global effort to promote fraud awareness with an event for the Office of the Director of National Intelligence (ODNI) workforce on November 16, 2022. The outreach program took place at ODNI Headquarters in McLean, Virginia, and the Intelligence Community Campus in Bethesda, Maryland.

Hosted in conjunction with International Fraud Awareness Week, the event raised awareness of fraud-related crimes and highlighted the importance of reporting suspected fraud, waste, and abuse to organizations that can investigate and address fraud and fraud-related issues. Fraud costs individuals, taxpayers, business, and communities billions of dollars every year. IC IG distributed Hotline cards and other resource materials to advise the workforce on how to contact the IC IG to report fraud, waste, or abuse.
